Re: Request for outdoor entertainment Saturday, August 15, 2020

Dear Village of Thiensville, Committee of the Whole,

I am asking for permission to play music outside until 12:00 am (midnight) on Saturday, August 15, 2020 for a family members wedding reception. The reception is being held at our Watermark Event space 146 Green Bay Road, Thiensville, WI 53092. The music will begin around 7:30 or so.

Thank you for considering this. We know the noise ordinance goes until 10.but the bride and groom would love to dance under the stars and asked me to see if you could bend the rule for them.

Thank you, for your time. We hope you can allow the music to play outdoors until midnight.

All my best,

Beth Shully
Vice president
Shully Catering Inc.
