Dear Mr. Mobley;

Boy Scout Troop 852 of Thiensville, Wisconsin is very proud to announce their 106th and newest Eagle Scout, Benjamin Luetngen, who received this great honor on June 13, 2020.

The Eagle Scout Badge is the highest award bestowed upon a Scout. In order to earn this award, each scout needs to earn at least 21 Merit Badges. He also had to plan and carry out a project that would benefit the community. Only about 5% of all Boys in Scouting in the United States go on to earn the Eagle Award.

Ben worked very hard to achieve this rank. He earned 29 Merit Badges, developed strong leadership qualities, and showed scout spirit. For his project, Ben decided to renovate the Memorial Site at Highland Woods Park in Mequon. I was in complete disrepair and needed to be replaced.

After getting approval from the Mequon Parks Dept, and his Troop, he was then able to plan his project. After preparing a letter to request donations, he started designing a flag that has 30 stars constructed out of PVC material which would depict the flag the year that Wisconsin became a state. After getting the design done, and receiving donations, he was able to purchase the material he would need. With the help of three scouts and adults, they were able to clear the old site and start replacing it with the new flag. He also cleaned up the grounds around the area of the site. The project took 71 hours to complete.

Benjamin will be receiving his Eagle Award at a formal ceremony in the very near future. If you could send all letters of congratulations, certificates, or plaques, to me, as soon as possible, I would appreciate it very much. Thank You very much for your time and co-operation.
