The Village Park Reimagined Committee is working on re-imagining our beloved Village Park to make it more appealing and functional throughout the year. Outdoor music by bands performing under a band shell, enjoying the outdoors in a nature and educationally inspired play area, cooling off on a hot evening by an interactive water feature while enjoying the beauty of the lights and water sounds, skating along the river on a picturesque ice trail and many other concepts are being evaluated as part of a new Park master plan.

Thank you for considering a donation to Village Park Reimagined.
